revenues, workforce, expenses and cash flows.

Jirav is extremely user-friendly with custom modules that are available immediately upon deployment. Jirav is easy to deploy and customize in real-time, and users are up and running on the first day, and in most cases, within the first hour.

Jirav has quickly solidified strategic partnerships with Aprio Cloud and Acuity, and continues to strive towards becoming the leading cloud-based financial planning and analysis solution with world class product innovation and industry leading customer support.
