Paychex AccountantHQ is an innovative technology and service offering designed to deliver greater accountant efficiency for payroll and HR management – revolutionizing the way accountants serve their clients and serving as a powerful driver in client advisory services.

AccountantHQ provides accountants with unparalleled access to authorized client data, robust reporting capabilities, real-time data integration, key account contacts, and an extensive accountant resource library – all backed by an industry-leading service model:

- Access to authorized client data through a single online dashboard. AccountantHQ's comprehensive online dashboard allows accountants to view all authorized client data through a single, easy-to-use dashboard, with the ability to quickly navigate among multiple clients to view payroll, GL, and HR information.
- Robust reporting capabilities. Accountants have access to comprehensive reporting and analytics, providing greater insights for strategic consultation and allowing accountants to compare data across clients.
- Access to real-time data integration. Helping to save time and reduce errors, Paychex AccountantHQ allows for real-time data integration with leading accounting software packages, including Sage Intacct, XERO, and QuickBooks Online.
- 24/7/365 service. AccountantHQ offers accountants choice and flexibility for support whenever it's needed. In addition to providing contact information for

each client's dedicated payroll specialist, AccountantHQ offers 24/7/365 U.S.-based
