a life changing experience for me. As a result, I was able to cultivate countless relationships with some of the professions best and brightest that I still value a great deal today.

- INCPAS Emerging Leaders Award (2015) – This recognition meant a lot to me mostly because of the quality of those that I have interacted with at the Indiana CPA Society. The women of INCPAs truly are the best in the business.
- *CPA Practice Advisor* – 40 under 40 (2018) – An honor that I was and am extremely humbled for which to be considered.

What are you doing to make a difference in the profession, your community, the world?

The Penrod Society (supporting the arts) – The Penrod Society has been a staple of the Indianapolis community for 50+ years. It has been the single most impactful philanthropic organization that I have been apart of to date and one that I will be diligently working with for the rest of my life.

AICPA YMLC – Having the chance to help craft AICPA initiatives with my fellow committee members has been a constant joy. It's been a pleasure to watch all of the bright, energetic and passionate members bring ideas to the table over the past few years.

Board or Committee Service: American Cancer Society, American Heart Association, AYS, Inc., Young Professionals of Central Indiana, Ronald McDonald House
