What are you doing to make a difference in the profession, your community, the world?

Education and empowerment of clients and the community is important to me. With that in mind, a lot of my outreach comes through classes for the community through our firm or through other means such as the local Realtors. I have also taught a Money Camp at the local university for the past three summers for kids and did an adult Money Camp this year. Reviewing Legacy Scholar applications for the AICPA and being a Legacy Scholars coach have also been a part of my outreach. Perhaps the largest outreach comes through being an Adjunct Instructor at the University of Alaska Fairbanks Community and Technical College for the past 10 years.
