- As Product Manager for ONESOURCE Tax Provision, lead the program to migrate the solution to a web native application while reimagining the paradigm of how Tax works
- At Ernst & Young; played a key role in developing the Product Management strategy to iterate and accelerate tax software development in a services organization
- At Workiva; built out a dedicated team around Tax, reimagined the Tax offering from the ground up with an immediate focus on Transfer Pricing, and currently pioneering the role of Tax in ESG designing best practices around corporate responsibility

Favorite books/websites/podcasts/speakers/bloggers:

I love to read and alternate between biographies, classics, and business genres. However, during the pandemic, I found a love of running to business podcasts. In particular, The Lex Fridman Podcast, HBR presents Cold Call, The Portal with Eric Weinstein, and How to Citizen with Baratunde. The product manager in me is also a die-hard Marty Cagan fan.
