Zachary Gordon, CPA – 2022 40 Under 40 Honoree

VP-Accounting

Propeller Industries

<https://www.propellerindustries.com/>

I started my career at Marks Paneth as an associate, working on a variety of clients across real estate, tech and others. Upon reaching that precipice, I decided to see the “other side of the table” and moved to private equity. During this period, I was able to get experience with real estate, healthcare, fintech, crypto, cannabis and tech. I learned about fundraising, setting up internal control frameworks, developing processes and investor reporting, and scaling up a business via automation and optimization.

I came back into public accounting to co-lead a cannabis practice and modernize a client accounting services practice. I am now VP of Accounting with Propeller Industries, with a focus on blockchain amongst other interesting clientele.

I sit on the NYSSCPA Board, Digital Assets, Cannabis and Technology Assurance Committees, and AICPA Cannabis Committee. I also am advisor for CoFounders Lab as well as several tech startups.

What are you doing to make a difference in the profession, your community, the
